## FORWARD-LOOKING STATEMENTS

This document contains forward looking statements, in addition to historical information. Forward looking statements are typically identified by words or phrases such as “believe,” “expect,” “anticipate,” “intend,” “estimate,” “project,” and variations of such words and similar expressions, or future or conditional verbs such as “will,” “would,” “should,” “could,” “may,” or similar expressions.

You should note that many factors, some of which are discussed elsewhere in this document and in the documents we file with the Securities and Exchange Commission from time to time, could affect the future financial results of Bancorp of New Jersey, Inc. and its subsidiary, Bank of New Jersey, and could cause those results to differ materially from those expressed in the forward-looking statements contained in this document. These factors include, but are not limited, to the following:

- Volatility in interest rates and shape of the yield curve;
- Increased credit risk;
- Operating, legal and regulatory risk;
- Economic, political and competitive forces affecting the Company’s line of business; and
- The risk that the analysis of these risks and forces could be incorrect, and/or that the strategies developed to address them could be unsuccessful.

Bancorp of New Jersey, Inc., referred to as “we” or the “Company,” cautions that these forward-looking statements are subject to numerous assumptions, risks and uncertainties, all of which change over time, and we assume no duty to update forward-looking statements, except as may be required by applicable law or regulation. We caution readers not to place undue reliance on any forward-looking statements. These statements speak only as of the date made, and they advise readers that various factors, including those described above, could affect our financial performance and could cause actual results or circumstances for future periods to differ materially from those anticipated or projected. Except as required by applicable law or regulation, we do not undertake, and specifically disclaim any obligation, to publicly release any revisions to any forward-looking statements to reflect the occurrence of anticipated or unanticipated events or circumstances after the date of such statements.

## INFORMATION ABOUT VOTING

### How are proxies being solicited?

This proxy solicitation is being made by and at the direction of the board of directors of the Company, and we will pay all expenses relating to the solicitation. In addition to the use of the mails, proxies may be solicited personally, by telephone or by other electronic means by officers, directors and employees of the Company and the Bank, who will not be compensated for such solicitation activities. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries for forwarding solicitation materials to the beneficial owners of shares held of record by such persons, and the Company will reimburse those persons for their reasonable expenses.

### What is on the agenda for the annual meeting?

The agenda for the annual meeting includes the election of six directors to the Company's board of directors, to serve until the 2009 annual meeting of shareholders and until their successors are elected and qualify, the election of six directors to the Company's board of directors, to serve until the 2010 annual meeting of shareholders and until their successors are elected and qualify, the election of six directors to the Company's board of directors, to serve until the 2011 annual meeting of shareholders and until their successors are elected and qualify, and such other matters as may properly come before the annual meeting. We are not aware of any such other matters that may properly come before the annual meeting at the present time.

### Who can vote?

You can vote at the annual meeting if you are a holder of our common stock on the record date. The record date is the close of business on April 10, 2008. Each share of common stock you own as of the record date entitles you to one vote for each director to be elected in the election of directors and one vote on any other matter as may properly come before the annual meeting. As of April 10, 2008, there were 4,987,569 shares of common stock outstanding and entitled to vote.

### How do I vote if shares are held directly in my name?

If you hold your shares in certificate form and not through a bank, brokerage firm or other nominee, you may vote your shares in one of the following ways:

- Voting By Mail. If you choose to vote by mail, complete the enclosed proxy, date and sign it, and return it in the postage-paid envelope provided.
- In Person. If you choose to vote in person, come to the annual meeting and cast your vote. If you attend the meeting, you may vote your shares in person even if you have previously submitted a proxy.

### How do I vote if shares are held through a bank, brokerage firm or other nominee?

If you hold your shares through a bank, brokerage firm or other nominee, you may vote your shares in one of the following ways:

- Voting By Mail. If you choose to vote by mail, complete and return to your bank, brokerage firm or other nominee the voting instruction form provided to you by your bank, brokerage firm or other nominee.
- In Person. If you wish to vote in person at the annual meeting, you must obtain a legal proxy from your bank, brokerage firm or other nominee. This will authorize you to vote at the annual meeting. Only with a legal proxy from your bank, brokerage firm or other nominee can you cast your vote in person at the annual meeting.

### How will my proxy be voted?

Unless you indicate differently on your proxy, we plan to vote signed and returned proxies **FOR** the election of the board's director nominees named in this proxy statement. If you hold your shares of the Company's common stock in "street name" (that is, through a broker or other nominee) and fail to instruct your broker or nominee as to how to vote your shares of common stock, your broker or nominee may, in its discretion, vote your shares **FOR** the election of the nominees for director named in this proxy statement, but may not vote your shares on any other matter to properly come before the annual meeting. At or after the annual meeting, a judge or judges of election will tabulate ballots cast by shareholders present and voting in person and votes cast by proxy.

### What is a broker non-vote?

A broker non-vote occurs when a bank or brokerage firm holding shares on behalf of a shareholder does not receive voting instructions from the shareholder by a specified date before the annual meeting and the bank or brokerage firm is not permitted to vote those undirected shares on specified matters under applicable stock exchange rules. Thus, if you do not give your broker specific instructions, your shares may not be voted on those matters (so-called "broker non-votes") and will not be counted in determining the number of shares necessary for approval. Broker non-votes are not considered to be votes cast and, therefore, generally have no effect on the outcome of elections of directors or other matters submitted to the shareholders. Shares represented by "broker non-votes" will be counted, however, in determining the number of shares of common stock represented in person or by proxy and entitled to vote.

### Can I change my vote after submitting my proxy?

Yes. Any shareholder giving a proxy has the right to attend the annual meeting and vote in person. A proxy may be revoked prior to the annual meeting if a later-dated proxy or a written revocation is sent to the Company at Bancorp of New Jersey, Inc., 1365 Palisade Avenue, Fort Lee, New Jersey 07024, Attn.: Secretary, and received prior to the annual meeting. In addition, a proxy may be revoked at the annual meeting by filing a later-dated proxy or by filing a written notice of such revocation with the Secretary of the Company at the annual meeting prior to the voting of such proxy.

What constitutes a quorum at the annual meeting and how are votes counted?

We need a quorum of shareholders to hold a valid annual meeting. A quorum will be present if at least a majority of the outstanding shares of common stock are represented in person or by proxy at the annual meeting. Abstentions and broker non-votes are counted as present for the purpose of establishing a quorum but otherwise do not count.

How many votes are required for the election of directors?

Directors are elected by a plurality vote of shares of common stock cast in person or by proxy at the annual meeting. A “plurality” means that the individuals who receive the largest number of affirmative votes cast are elected as directors up to the maximum number of directors to be chosen at the annual meeting. Because the election of directors is based on a plurality of the votes cast, abstentions and broker non-votes have no effect on the outcome of the vote. Votes that are withheld from a director nominee will be excluded entirely from the vote for such nominee and will have no effect on the result. Shareholders are not entitled to cumulative voting in the election of directors.

How many votes are required for any other proposals that may properly come before the annual meeting?

All other proposals that may properly come before the annual meeting will be approved if a majority of the votes cast are voted in favor of the action, unless the question is one upon which a larger or different vote is required by express provision of law or by our certificate of incorporation or our bylaws. Abstentions and broker non-votes on such other proposals are not considered votes cast on the proposals and, as such, have no effect on the approval of the proposals. We are not aware of any such other proposals that may properly come before the annual meeting at the present time.

### **ELECTION OF DIRECTORS**

Our certificate of incorporation and bylaws provide that the number of directors constituting the entire board will be between five and 25, with the exact number to be determined from time to time by the board of directors. The board has fixed the number of directors constituting the entire board at 18.

Our certificate of incorporation and bylaws also provide that the directors will be divided into three classes, as nearly equal in number as possible, in respect to the time for which they severally hold office, beginning with the 2008 annual meeting. Accordingly, at the 2008 annual meeting, our directors will be classified and you will be asked to elect six directors to each one of the classes. Beginning in 2009, and at each annual meeting thereafter, only one class of directors will be elected and each class of directors so elected will serve for a term of approximately three years.

It is intended that the proxies solicited by the board of directors will be voted **FOR** the eighteen director nominees named below (unless the shareholder otherwise directs). If, for any reason, any nominee becomes unavailable for election or service on the board, the proxy solicited by the board of directors will be voted for such substituted nominee as is selected by the board of directors. The board has no reason to believe that any of the named nominees are not available or will not serve if elected.

Each nominee is an incumbent director and each director, other than Mr. Calabrese, has served as a director of the Company and the Bank since their respective organizations. The names of the nominees for election and certain information about them are set forth in the following table:

## **BOARD OF DIRECTORS AND COMMITTEES**

### Director Independence

Because the Company's common stock is not listed on a national securities exchange or in an inter-dealer quotation system, the Company is not considered a listed issuer and certain listing standards regarding independence of directors do not apply to the Company. We have determined, however, the independence of the members of our board of directors and board committees by reference to the listing standards of the American Stock Exchange. Under the independence standards of the American Stock Exchange, Michael Bello, Jay Blau, Gerald A. Calabrese, Jr., Stephen Crevani, John K. Daily, Armand Leone, Jr., Anthony M. Lo Conte, Carmelo Luppino, Rosario Luppino, Howard Mann, Josephine Mauro, Joel P. Paritz, Christopher M. Shaari, Anthony Siniscalchi and Mark Sokolich were determined to be independent, and all of the members of our audit and compensation committees were determined to be independent. During 2007, the independent members of the board of directors functioned as the Company's nominating committee. In determining independence, the board considered immaterial amounts of legal, insurance agency and appraisal services provided by certain directors or entities in which they have interests, and determined that such transactions and relationships would not interfere with the directors' exercise of independent judgment in carrying out the responsibilities of a director. In connection with such services, the disinterested members of the board of directors reviewed the transactions and relationships, determined that each is on arm's-length terms, and approved each such transaction and relationship. No member of the audit committee had an interest in any such transaction or relationship. The members of the board who were determined to be not independent were Albert F. Buzzetti, Albert L. Buzzetti and Diane M. Spinner. Albert F. Buzzetti and Diane M. Spinner being employees of the Company and Albert L. Buzzetti being son of Albert F. Buzzetti.

### Board Meetings

During 2007, the board of directors held 12 meetings. All of our directors attended at least 75% of board meetings and meetings of committees of the board on which such directors served.

We have no formal policy with respect to director attendance at our annual meeting of shareholders. As we adopted a holding company structure during 2007, the 2008 annual meeting will be the Company's first annual meeting of shareholders. All of our directors attended the Bank's 2007 annual meeting of shareholders except Jay Blau, Stephen Crevani and Armand Leone, Jr.

### Board Committees

The board of directors of the Company conducts much of its business through committees of the board. During 2007, the board maintained standing audit and compensation committees, as well as an executive committee. The independent members of the board of directors functioned as the Company's nominating committee in 2007.

### Audit Committee

The audit committee of the board of directors consisted of Directors Siniscalchi (Chair), Daily, Mauro and Paritz during the fiscal year ended December 31, 2007. Each member of the audit committee would be independent under the requirements of the American Stock Exchange. The board of directors has determined that each of Messrs. Siniscalchi and Paritz qualifies as an “audit committee financial expert,” as defined under the rules of the Securities and Exchange Commission, or “SEC.” The audit committee met five (5) times in 2007.

The board of directors of the Company has designated a standing audit committee. The audit committee has adopted a formal charter. The primary duties of the audit committee are:

- making suitable periodic examinations into the affairs of the Company, or causing such examinations to be made, including whether the Company is in a sound and solvent condition and whether adequate internal audit controls and procedures are being maintained;
- recommending to the board such changes in the manner of doing business or conducting the affairs of the Company as shall be deemed advisable;
- upon its own recommendation, employing a qualified firm of certified public accountants to make an audit and examination of the affairs of the Company at least once in each calendar year;
- reviewing in detail all examinations of Federal and state regulatory authorities;
- reviewing any changes in accounting policy proposed by management, the internal auditors or the certified public accountants; and
- making appropriate reports of its activities to the full board of directors.

### Audit Committee Report

The audit committee has considered and discussed the audited consolidated financial statements of the Company at and for the year ended December 31, 2007, with management. The audit committee has also discussed with Beard Miller Company LLP, or “BMC,” the Company’s independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61, “Communication with Audit Committees,” as currently in effect. Finally, the audit committee has received the written disclosures from BMC required by Independence Standards Board Standard No. 1, “Independence Discussions with Audit Committees,” as currently in effect, has considered whether the provision of non-audit services by BMC to the Company is compatible with maintaining its independence and has discussed with BMC its independence.

Based upon its review and the considerations and discussions referenced above, the audit committee recommended to the board of directors that our audited financial statements be included in the Company’s annual report on Form 10-K, as filed with the SEC on March 31, 2008.

Submitted by the Audit Committee:

Anthony Siniscalchi, Chair  
John K. Daily  
Josephine Mauro  
Joel P. Paritz

April 1, 2008

*The foregoing Audit Committee Report shall not be deemed to be incorporated by reference into any filing made by the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, notwithstanding any general statement contained in any such filing incorporating this proxy statement by reference, except to the extent the Company incorporates such report by specific reference.*

### Compensation Committee

During 2007, the compensation committee of the board of directors consisted of Directors Shaari (Chair), Bello, Blau, Leone and Lo Conte and met twice.

The compensation committee has not adopted a formal charter. The primary duties of the compensation committee are:

- adopting compensation policy;
- reviewing and evaluating the compensation of the directors and executive officers, and recommending any modification in any such compensation;
- requiring regular salary and benefit surveys comparing the Company with its competitors; and
- approving all changes in the compensation package of executive officers.

## Compensation Processes and Procedures

Our board of directors has delegated the sole authority to set the compensation of our executive officers to the compensation committee. While the committee may seek input from the chief executive officer with respect to the compensation of other executive officers, the committee may not delegate the authority to set the compensation of executive officers. The compensation committee may retain, but has not retained, a compensation consultant.

## Nominations and Shareholder Communications

### Nomination Process

The Bank commenced operations in May 2006 and adopted a holding company structure in July 2007. With one exception, the current board of directors of the Company is comprised of the organizers of the Bank. For this reason, the board has not yet designated a nominating committee to consider new director nominees. Until the board does designate such a committee, the independent members of the board of directors will participate in the consideration of director nominees. During 2007, several non-management directors, as well as our chief executive officer, recommended the addition of Gerald A. Calabrese, Jr. to our board of directors and, after consideration, he was appointed a director effective August 1, 2007.

The board of directors will consider director candidates recommended by shareholders. Any shareholder who wishes to recommend a director candidate for consideration may send notice to Bancorp of New Jersey, Inc., 1365 Palisade Avenue, Fort Lee, New Jersey 07024, Attention: Albert F. Buzzetti, Chairman of the Board. The notice should contain the information described in the section titled, "Shareholder Proposals," on page 17. The board shall give director candidates recommended by shareholders the same consideration as director candidates recommended by other sources.

### Minimum Qualifications

Our bylaws set forth certain minimum qualifications with respect to individuals who may serve on our board of directors. Generally, a person is not qualified to serve as a director if he or she:

- is under indictment for, or has ever been convicted of, a criminal offense involving dishonesty, breach of trust or money laundering;
- is a person against whom a federal or state bank regulatory agency has issued a cease and desist order for conduct involving an unsafe or unsound practice in conducting the affairs of an insured depository institution, dishonesty, breach of trust, or money laundering, which order is final and not subject to appeal;

- has been found, in a final and unappealable decision by any federal or state regulatory agency or by any court, to have breached a fiduciary duty involving personal profit, or committed a reckless or willful violation of any law, rule or regulation governing banking, securities, commodities or insurance, or any final cease and desist order issued by a banking, securities, commodities or insurance regulatory agency;
- is a member of a group (within the meaning of section 13(d)(3) of the Exchange Act) which includes a member who would be disqualified from serving as a director of the Company for one of the reasons set forth above; or
- is a party (either directly or through an affiliate) to litigation or an administrative proceeding adverse to the corporation or any subsidiary of the corporation.

#### Shareholder communications

Any shareholder who desires to send communications to our board of directors or to individual directors may do so by directing his or her communication to the following address: Bancorp of New Jersey, Inc., 1365 Palisade Avenue, Fort Lee, New Jersey 07024, Attention: Albert F. Buzzetti, Chairman of the Board. All shareholder communications, other than any communications we believe may pose a security risk, will be sent directly to board members.

- (1) Compensation for 2006 includes all compensation for the period beginning on May 10, 2006, when the Bank opened for business, and ended on December 31, 2006.
- (2) The 2007 amount indicated is the dollar amount recognized for financial statement reporting purposes in accordance with SFAS 123R. The fair value of each option granted is estimated on the date of grant using the Black-Scholes option pricing model with the following assumptions used for the 2007 grants: dividend yield of 0.00%; expected volatility of 21.69%; risk-free interest rate of 3.28%; and expected life of 5.15 years. The effects of applying these assumptions in determining net income may not be representative of the effects on net income in future years.

The 2006 fair value of each option granted is estimated on the date of grant using the Black-Scholes option pricing model with the following assumptions used for the 2006 grants: dividend yield of 0.00%; expected volatility of 16.00%; risk-free interest rate of 4.77%; and expected life of 2 years. The effects of applying these assumptions in determining net income may not be representative of the effects on net income in future years.

- (3) Includes payments made to the named executive officers for automobile allowances and reimbursements for unused vacation.

We offer each of our named executive officers a competitive salary, a change in control agreement, option awards and benefits typical of an organization like the Company, which are offered to our employees, generally, such as medical insurance, group term life insurance and a 401(k) plan, as well as an automobile allowance.

Options awards are intended to align the personal financial interests of our named executive officers with those of the Company, and to encourage our named executive officers to remain employed by the Company by providing them with a long term interest in our overall performance, as reflected by the performance of our common stock. In 2006, option awards were made primarily to attract talented management to, and to remain with, the Company. Accordingly, awards were made shortly after our 2006 Stock Option Plan was approved by our shareholders in October 2006. Each named executive officer received an option award to purchase 22,000 shares of our common stock at an exercise price of \$9.09 per share, as adjusted following our ten percent (10%) stock distribution in January 2007 and two for one stock split in December 2007. The referenced option awards were immediately exercisable with

respect to fifty percent (50%) of the shares underlying the options and became exercisable with respect to the remaining fifty percent (50%) of the shares underlying the options on the first anniversary of the grant date, or November 1, 2007.

During November 2007, each named executive officer received an option award to purchase 15,000 shares of common stock at an exercise price of \$11.50 per share, as adjusted for the two for one stock split in December 2007. These options vest equally over a 5 year period

### Change In Control Agreements

We have entered into change in control agreements with each of our named executive officers and each such agreement is on substantially similar terms. Under the terms of the agreements, a named executive officer may receive a change in control payment in the event that he or she terminates his or her employment within 90 days following a change in control. As used in the agreement, a “change in control” means:

- Any person acquiring securities representing more than 50% of the voting power of the securities of the Company or the Bank;
- Any sale of all or substantially all of the assets of the Company or the Bank to a third party;
- Any reorganization, merger, consolidation or similar transaction, unless the shareholders immediately prior to any such transaction hold securities representing a majority of the voting power of the entity surviving the transaction and the directors immediately prior to the transaction represent a majority of the directors of the entity surviving the transaction; and
- Any other event designated a “change in control” by our board of directors.

The change in control payment which any named executive officer would be entitled to receive under his or her agreement would be a lump sum equal to 2.9 times the highest annual base salary he or she received in the year of termination and the two years immediately preceding. Assuming the triggering events for the change in control payments occurred on December 31, 2007, the estimated change in control payments which Mr. Buzzetti, Mr. Lesler, Mr. Faresich and Ms. Spinner would be entitled to receive would be \$551,000, \$406,000, \$493,000 and \$406,000, respectively. Any change in control payment would be made within 30 days following the recipient’s date of termination.

The option award amount indicated is the dollar amount recognized for financial statement reporting purposes in accordance with SFAS 123R. The per share fair values of stock options granted to non-employee directors is estimated on the date of grant using the Black-Scholes option pricing model with the following assumptions used for the 2007 grants which vested over a 34 month period and a 5 year period respectively. The options which vest over a 34 month period used the following assumptions in determining the grant date fair value: dividend yield of 0.00%; expected volatility of 14.33%; risk-free interest rate of 4.05%; and expected life of 4.01 years. The options which vest over a 5 year period used the following assumptions in determining the grant date fair value: dividend yield of 0.00%; expected volatility of 21.69%; risk-free interest rate of 3.28%; and expected life of 5.03 years. The effects of applying these assumptions in determining net income may not be representative of the effects on net income in future years.

- (1) Mr. Alter served as a director until his passing on August 27, 2007. At the time of his death, the Company had not yet granted options to directors.
- (2) Mr. Calabrese was appointed to serve as a director beginning August 1, 2007.

At December 31, 2007, each non-employee director other than Mr. Calabrese had 30,000 options outstanding, 20,000 of which were granted in October, 2007, vest over 34 months and expire on 10/1/2017, and 10,000 of which were granted in December, 2007, vest over 5 years and expire on 12/1/2017. At December 31, 2007, Mr. Calabrese had 10,000 options outstanding, all of which were granted in December, 2007, vest over 5 years, and expire on 12/1/2017. All options granted to directors during 2007 have an exercise price of \$11.50 per option.

Except for directors who are also officers of the Bank and received compensation as such, our board of directors did not receive any cash compensation for services, including services as members of any committees of the board or for attendance at meetings of the board or any committees of the board during 2007. Having recovered all “start-up” costs related to the organization of the Bank and the Company, and achieving a level of profitability during 2007, we will begin compensating non-employee Directors for board meetings and committee meetings in January, 2008. Non-employee Directors shall receive \$500.00 per each attendance at Board of Director’s meetings and \$250.00 for each attendance at Directors’ Committee meetings.

### **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

The Bank has made, and expects to continue to make, loans in the future to our directors and executive officers and their family members, and to firms, corporations, and other entities in which they and their family members maintain interests. All such loans require the prior approval of our board of directors. None of such loans are, as of the date of this proxy statement, or were at December 31, 2007, nonaccrual, past due, restructured or potential problems, and all of such loans were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the Company or the Bank and did not involve more than the normal risk of collectibility or present other unfavorable features.

There were no other transactions in which any related person had or will have a direct or indirect material interest. Except for our policies and procedures related to the approval of loans, we have not yet adopted any formal policies and procedures for the review, approval, or ratification of any transactions with related persons. Informally, however, any such transactions would be reviewed by the disinterested members of the board of directors and, subject to their determination that each is on arm’s-length terms, would be approved by them.

### **CODE OF ETHICS**

We have adopted a code of conduct and ethics that applies to our principal executive officer, principal financial officer, principal accounting officer and other senior financial officers. Our code of conduct and ethics is available under the heading, “Corporate Governance,” at our Internet website, [www.bonj.net](http://www.bonj.net).

## AUDIT-RELATED INFORMATION

### Relationship with Independent Auditors

KPMG LLP audited the financial statements of the Bank for the year ended December 31, 2006, but was never engaged as the principal accountant to audit the Company's financial statements. During 2007, the Company and the Bank effected a holding company reorganization, as a result of which the assets, liabilities, and stockholders' equity of the Bank immediately prior to the holding company reorganization were carried forward on the Company's consolidated financial statements.

The audit committee selected BMC as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2007. BMC has advised the Company that one or more of its representatives will be present at the 2008 annual meeting to make a statement if they so desire and to respond to appropriate questions. The audit committee has approved BMC as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2008.

The following table presents the aggregate fees, billed or expected to be billed, by BMC, the Company's principal accountant, for the fiscal year ended December 31, 2007. The Company was incorporated on November 28, 2006, and did not engage an accountant for the period ended December 31, 2006.

<u>Fee Category</u>	<u>2007 Fees (\$)</u>
Audit Fees (1)	\$74,000
Audit-Related Fees (2)	—
Tax Fees (3)	\$10,500
All Other Fees (4)	—
Total Fees	<u>\$84,533</u>

1. Audit Fees consist of the aggregate fees billed for professional services rendered by BMC for the audit of the Company's annual financial statements and review of financial statements included in the Company's quarterly reports on Form 10-Q, or services that are normally provided by BMC in connection with statutory and regulatory filings or engagements.
2. Audit-Related Fees consist of the aggregate fees billed for assurance and related services by BMC that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under "Audit Fees." There were no audit-related fees paid during 2007.
3. Tax Fees consist of the aggregate fees billed for professional services rendered by BMC for tax compliance, tax advice, and tax planning. The services comprising the fees disclosed under this category include the preparation of state and federal tax returns as well as assisting with calculating estimated tax payments.
4. All Other Fees consist of the aggregate fees billed for products and services provided by BMC, other than the services reported under "Audit Fees," "Audit-Related Fees," and "Tax Fees." There were no fees paid for all other fees during 2007.

The audit committee's charter includes a formal policy concerning the pre-approval of audit and non-audit services (including the fees and terms thereof) to be provided by the independent registered accounting firm of the Company, subject to the de minimis exception for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act, which are approved by the audit committee prior to the completion of the audit. The policy requires that all services to be performed by BMC, including audit services, audit-related services and permitted non-audit services, be pre-approved by the audit committee. The chairperson of the audit committee is authorized to execute any engagement letter or agreement with BMC for and on behalf of the Company. All services rendered by BMC are permissible under applicable laws and regulations, and the audit committee pre-approved all audit, audit-related and non-audit services performed by BMC during 2007. The audit committee has considered whether the provision of services after the audit services (as specified above) is compatible with maintaining BMC's independence and has determined that provision of such services has not adversely affected BMC's independence.

#### **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Exchange Act requires the Company's officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities ("ten-percent holders") to file reports of ownership and changes in ownership with the SEC. Officers, directors and ten-percent holders are required by regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended December 31, 2007, each of the Company's officers, directors and greater than ten-percent holders complied with all Section 16(a) filing requirements applicable to him or it.
